## 1. Introduction

**National Informatics Centre Software Development Unit (NIC SDU)**, Pune, has been entrusted with the task of software development of **eCourts application** for the country. The eCourts is an eCourtIS (eCourt Information System) Software which is currently implemented in all the **Establishments** (District Courts and Taluka Courts) across India. The application is completely based on **Open Source Technology**.

### 1.1. Scope

The scope of this document is to provide assistance to the **Judicial Management** on how to use various tools provided in the eCourts application to monitor the pendency and performance of the courts.

#### 1.1.1. Audience

This target audience for this document is the **Judicial Management**. This manual will guide the **Individual Judges/Establishment Heads/High Court Management** to use **various modules** and reports of the eCourtIS Application.

#### 1.1.2. Purpose of this Document

This document will assist **Judges** to oversee the performance, monitor the pendency and expedite the process of justice delivery of own court or complete establishment. It provides an insight on the various modules and reports provided in the eCourtIS application that help the judges achieve this goal.

#### 1.1.3. Objective of this Document

The main objective of this document is to provide insight on the following modules to enable Judges to monitor the pendency:

- Dashboard
- Today's Cases
- Daily Proceedings
- Disposal Report in the Proceedings Report Section
- Balance Sheet in the DJPMC Section
- Pending Reports (Court Wise, Stage Wise, Nature of Case and Party Wise) in the DJPMC Section
- Data Health Card in DJPMC Section
- Calendar
- Query Builder
- Mobile APP

### 1.1.4. Document Organization

The structure of the document first includes the **Title page**, followed by Chapters which are then subdivided into subtopics.

**For example, DJPMC** denotes the chapter which is further subdivided into topics such as **Judge wise Monthly Report, Contested Disposal Report etc.** Each topic may be further subdivided into two subtopics to explain options such as **Add, Modify, Delete, or Report** subunits.

### 1.1.5. Conventions

**Table 1: Table for Conventions**

### 3.8. Case Type wise Pendency Pie Chart

**Pie Chart** is the circle graph used for presentation of **Pending Cases** data. This data is represented in form of a circle with divided sections or segments. Each of these sections or segments represents the percentage of pending cases for each **Case Type**.

The pending cases are grouped or classified according to the number of years they have been pending, as given below:

- Less Than 2 Years
- 2 To 5 Years
- 5 To 10 Years
- 10 To 15 Years
- More Than 15 Years

The categories are marked with a color which makes it easy to identify and understand the pendency of the cases at a glance. **(Refer to figure 18 given below)**

	Upto 2 Years	226	51%
	2 To 5 Years	128	29%
	5 To 10 Years	89	20%
	10 To 15 Years	0	0%
	More Than 15 Year	1	0%

**Figure 18: Year wise breakup of Pendency**

The colors assigned are described in the table given below:

**Table 3: Table for Color Code**

S.No	Color Code used	Years	Number of Cases	Pendency in Percentage
1		Upto 2 Years	226	51%
2		2 to 5 Years	128	29%
3		5 to 10 Years	89	20%
4		10 To 15	0	0%
5		More Than 15 Years	1	0%

The Pie Chart in Figure Number 22 displays the cases pending for 51 % of cases Less than 2 Years displayed by ■ colour, 29 % of cases pending in the range of 2 to 5 Years displayed by ■ colour, and 20% of cases pending between 5 to 10 years displayed by ■ colour.

## 4. Daily Proceedings

This option provides the facility to record the business transacted during the course of the day. It allows the court to understand the pendency of a matter, to give the **Next Date**, **Record Business** and **Exhibit**, view the entire **Case History** and so on.

### 4.1 Case Proceedings

This option provides the facility to record the **business transactions** during the course of the day. It will also allow the court to understand the **pendency of a matter** so as to give the **Next Date**, **Record Business** and **Exhibits**, or to view the entire **Case History** and so on. All the cases that are listed for the day will be displayed in the **Case Number** select box.

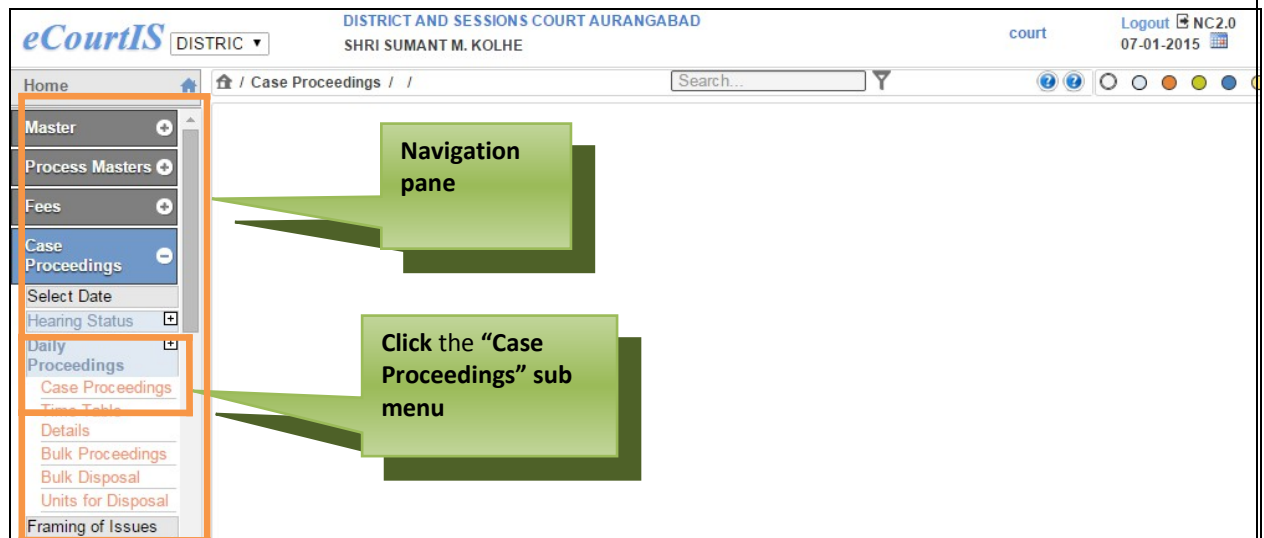

Figure 21: Navigation pane for "Case Proceeding" screen

To access the **Case Proceedings** screen, follow the steps given below:

1. On the **Navigation pane**, click the **Case Proceeding** menu. (Refer to **Figure Number 21**)
2. Then, click the **Daily Proceedings** sub menu followed by **Case Proceedings**.
3. When you click **Case Proceedings** sub menu, the **Case Proceedings** screen with **Civil** as the selected option is displayed. (Refer to **Figure Number 22**)

The screenshot displays a web application interface for 'Case Proceedings'. At the top, there is a search bar and navigation icons. Below this, there are radio buttons for 'Recall', 'Civil', and 'Criminal', along with a 'Case No.' dropdown menu. On the right, there are checkboxes for 'Called', 'In Progress', and 'Completed'. A 'Time Table' link is also visible. The main area is divided into two tabs: 'Proceedings' (selected) and 'Presence'. Under the 'Proceedings' tab, there are several sections: 'Business' with a text area, 'Order Passed' with a dropdown menu (showing options like '1-Issue Notice', '2-Issue Summons', etc.), and 'Exhibits' with a text area. Below these are two radio buttons: 'Dispose the Case' and 'Kept as Dormant/Sine Die'. Further down, there are dropdown menus for 'Adjournment', 'Purpose of Listing', and 'Sub Purpose', along with a 'Next Date' field and a 'Check' button. At the bottom, there are two large yellow text areas labeled 'कामकाज' and 'निशाणी', and a 'Next' button.

**Figure 22: Case Proceedings screen**

You can record the business transactions for **Civil** and **Criminal** cases. By default, the system will display **Civil** as the selected option. You can choose the options mentioned above by selecting their respective radio buttons. The system will load the cases in the **Case No.** select box according to your selection.

The various features are as described below:

There are two tabs, the **Proceedings** tab and the **Presence** tab.

***Proceeding tab:***

In the **Proceedings** tab, you need to add details such as **Next Date**, **Purpose of Listing**, **Business**, **Order Passed**, **Exhibits** and **Adjournment**.

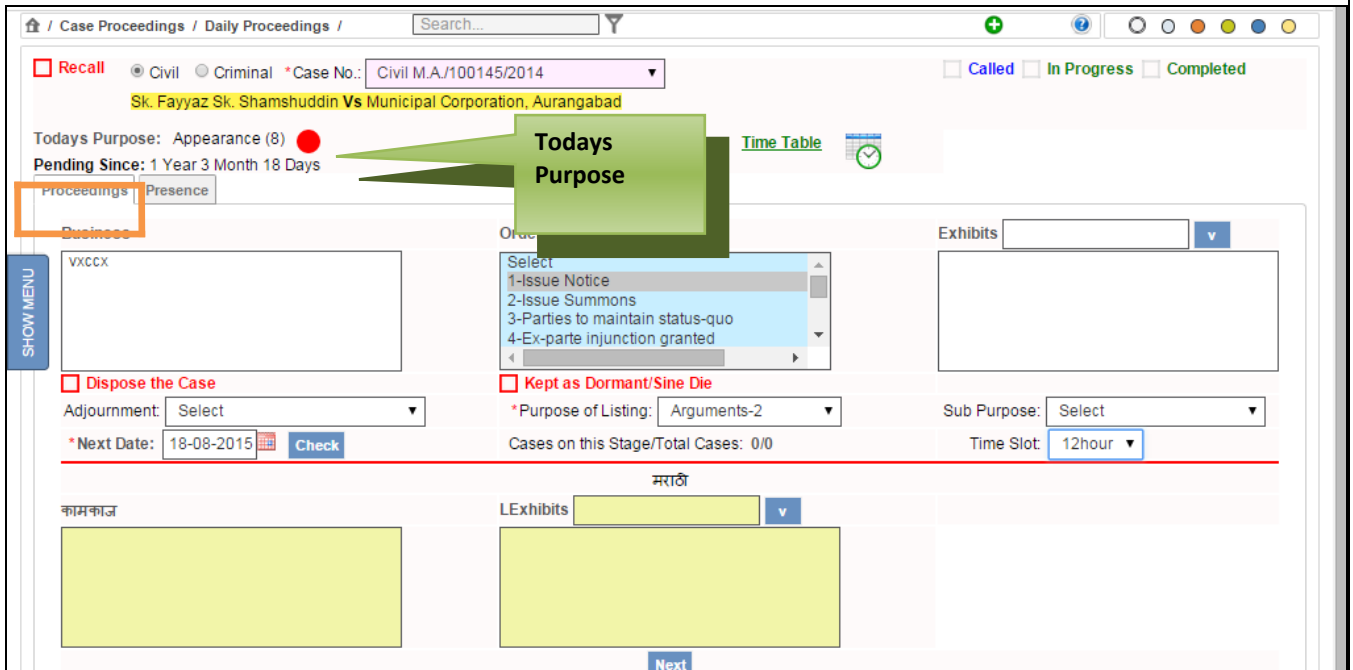

Figure 23: Proceedings tab, Todays Date

**a. Todays Purpose , Pending Since**

This option lists the Purpose for which the case is listed, for example “**Arguments (18)**” - indicates the number of times the Case is listed for the same purpose i.e. **the Case is listed for Arguments 18<sup>th</sup> time.**

The round circle next to the count is shown in “**Green**”, “**Orange**” or “**Red**” depending on the number of times the Case is listed on the same stage. The **Colour Coding** is as listed below:

**For example**

- indicates that, the case is listed on the same stage for less than 3 times.
- indicates that, the case is listed on the same stage more than 3 times but less than 6 times.
- indicates that, the case is listed on the same stage for more than 6 times.

**Pending Since-** indicates the pending status of the case

The screenshot shows a legal case management interface. At the top, there are filters for 'Recall' (checkbox), 'Civil' (radio), 'Criminal' (radio), and 'Dangling IA' (radio). The 'Case No.' is 'M.A.C.P./100042/2010'. Below this, the case name is 'Shaikh Saber Shaikh Shabbir Vs Bipichandra Balajirao Patil'. There are status checkboxes for 'Called', 'In Progress', and 'Completed'. A section titled 'Today's Purpose' is highlighted with an orange box, showing 'Evidence (11)' with a red circle icon and 'Pending Since: 0 Year 5 Month 2 days'. Below this, there are buttons for 'Proceedings' and 'Presentes'. To the right, there is a 'Time Table' link and a calendar icon.

**Figure 24: Today's Purpose , Pending since feature**

**For example,** consider **Figure Number 24**, where **Today's Purpose** shows red circle which means that the case is listed on the same stage for 11 times which is more than 6 times and is pending on the stage Evidence since 5 Months and 2 Days.

**b. Next Date**

This option is used to select the **Next Date** on which the case is to be listed. Select the **Next Date** using the calendar control. The calendar control will show the holidays in red, if they are properly updated in the **Holiday Master**, it will also display the already listed cases scheduled, as per the calendar date. **Refer to Figure 25.**

**Purpose of Listing**

This field selects the **Purpose/Stage** for which the case is to be listed on the next date. By default, the purpose listed on the current date is selected. **Refer to Figure 25.**

**Cases on this Stage/Total Cases**

With this feature, you can view the scheduled cases to be listed on the selected date (Next Date). The total number of cases that are matching with the **Purpose/Stage** of the selected case is displayed. This gives a general idea to the court, on whether the current case can be accommodated on that particular day. **Refer to Figure 25.**

**For example** 1/43- indicates that a total of 43 cases are listed, on the selected date (next date) and out of these, 1 Case is listed for the same **Purpose/Stage** as that of the current case

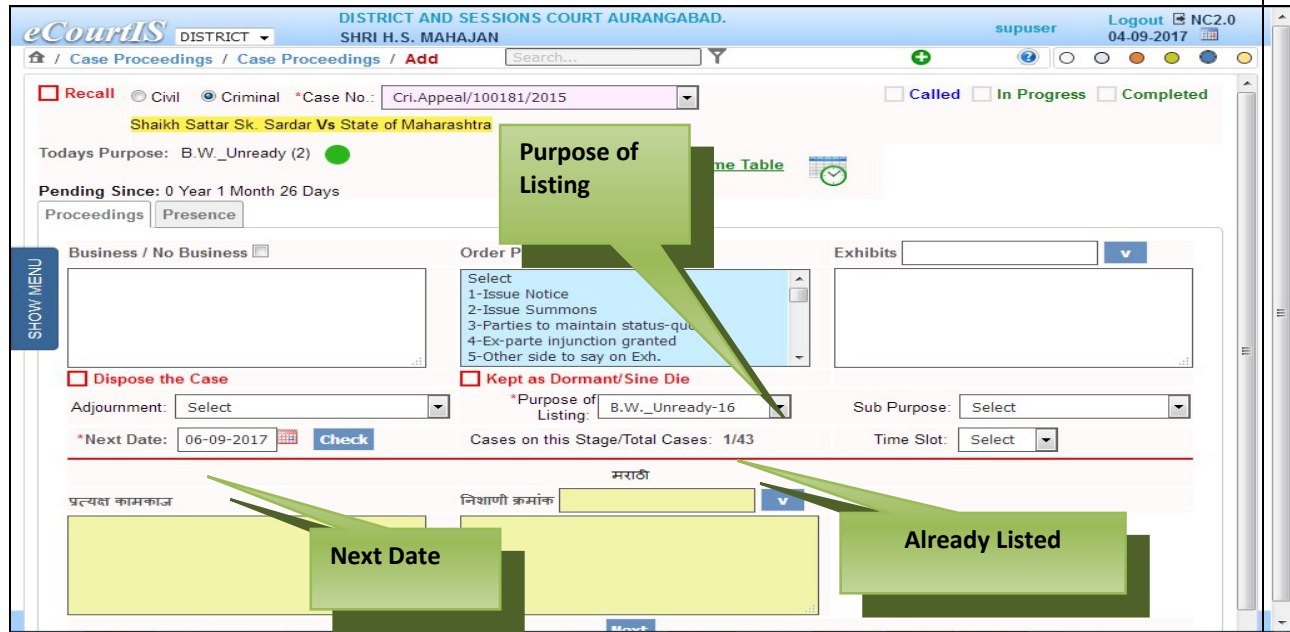

Figure 25: Next Date, Purpose of Listing feature

c. **Business**

This option is used to type the short description or summary of the business which is recorded during the day. For example **“The Arguments have been heard by both the Advocates”**. This is then recorded in the diary and is visible on the kiosk and the website. The full deposition is not expected to be recorded here. **Refer to Figure 26.**

### 6.3 Data Health Card

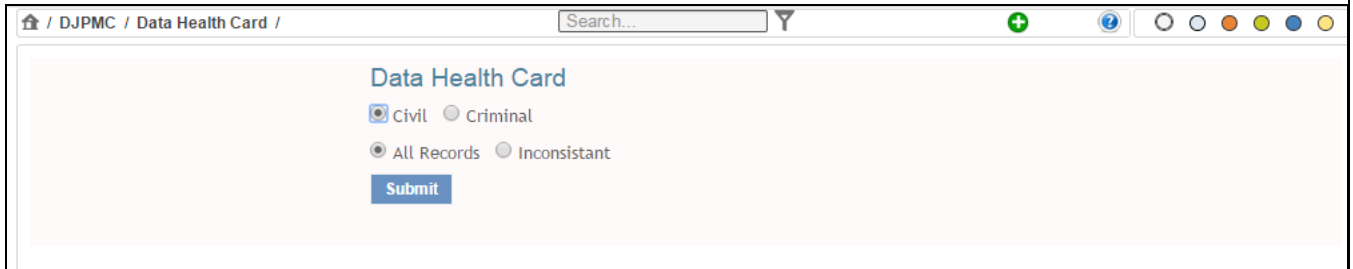

**Figure 55: Navigation for "Data Health Card" screen**

To generate various reports, monitor pendency and to provide services to Advocates and Litigants, data should be entered properly. It is possible that the data of the cases may have been missed while entering or incorrectly entered. Data Health Card provides the facility to get the glimpse of case wise correctness of the data and also prompt for missing data. The Cases can be noted and the Data can be updated.

To access the **Data Health Card** screen, follow the steps given below:

1. On the Navigation pane, click the **DJPMC** menu.
2. Then, click **Data Health Card** sub menu. **(Refer Figure Number 55)**
3. When you click **Data Health Card** sub menu, the "**Data Health Card**" screen is displayed.
4. You can view the **Data Health Card** for **Civil** and **Criminal** cases. By default **Civil** is displayed as the selected option.
5. For Criminal cases, select the **Criminal** radio button.

6. Also, you can view the **Data Health Card** for **Inconsistent** and **All Records**. By default All Records is displayed as the selected option. **(Refer to Figure Number 56)**

**Figure 56: Data Health Card screen**

### Procedure

1. By default **Civil** is displayed as the selected option. For **Criminal** cases, select the radio button for Criminal.
2. By default, **All Records** is displayed as the selected option. For **Inconsistent** option, select the Inconsistent radio button.
3. Click **Submit button**. The system will load the **View link**. **(Refer to Figure Number 57)**

- Sr. No. (Serial Number)
- Case No. (Case Number)
- Date of Registration
- No. of Parties
- Number of Parties With Single Word
- Address
- Advocate
- Advocate Code codes
- Act
- Section

In the above figure 208, see the Sr. No. 3 , Case Civil Appeal/100008/2010 , here the No. of Advocates are 2 , but data of Advocate Codes is not updated for both the advocates , hence the Advocates 2 is displayed in "RED" colour.

This means that the data entered is inconsistent.

6. Each **Case No.** is displayed as a hyperlink [Civil Appeal/100037/2009](#). When you click this link the Case History of that particular case is displayed. [Refer to Figure 5 for Case History.](#)

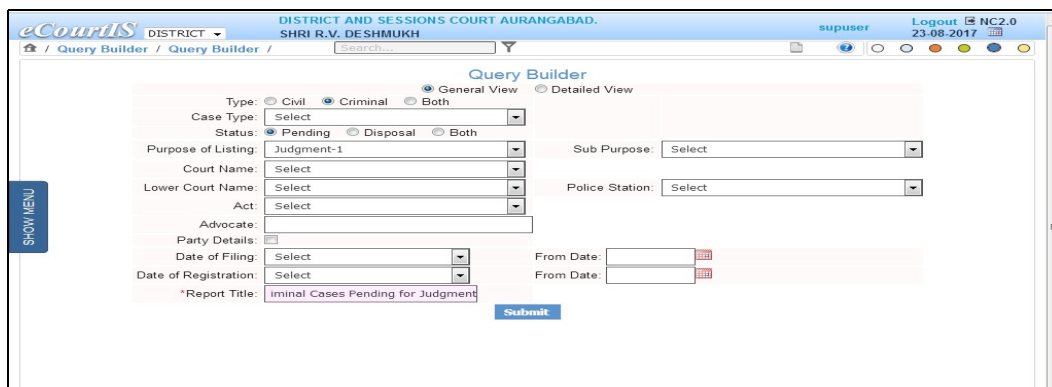

## 7. Query Builder

Most often pendency or disposal of the cases is monitored based on various parameters. The parameters are not known in advance. However the end result is the requirement of count of the cases and list of the cases satisfying the query raised by management. **Query Builder** is a dynamic and powerful tool that satisfies most of the requirements of Judicial Management and answers many simple and complex queries instantly. The tool can be used for various purposes and is easy to use. Following examples will help understand how query builder answers the commonly raised queries.
